

## **Media Alert: Egnyte to Exhibit at London Build 2015**

*Demonstrating Adaptive Enterprise File Services for the Architecture, Engineering and Construction (AEC) Industry*

**MOUNTAIN VIEW, Calif. - June 17, 2015** - Egnyte, the market leader in Adaptive Enterprise File Services, will exhibit at London Build in London June 18-19, 2015. Construction firms around the globe are adopting cloud applications to boost productivity, shorten project timelines, enhance their collaboration workflows, and reduce costs. To help keep these firms competitive and eliminate delays, Egnyte will demonstrate how its open, hybrid architecture is ideal for architecture, engineering and construction (AEC) customers, such as Balfour Beatty, Bowmer & Kirkland, and Tutor Perini, to effectively manage and enhance all aspects of projects from bidding to completion with its intelligent enterprise file sharing.

### **What:**

London Build 2015

### **When:**

June 18-19, 2015

### **Where:**

Booth #D40  
The O2 London  
Peninsula Square  
London SE10 ODX, United Kingdom

### **About Egnyte**

Egnyte is the market leader in Adaptive Enterprise File Services that uniquely anticipate IT and end-users' needs to securely, easily and intelligently share files on-premises and in the cloud. Egnyte's award-winning platform integrates with any cloud, storage, device and business application to enable customers optimize their collaboration environments through secure access, centralized control and unified visibility. Egnyte enables IT to make informed decisions and optimize infrastructure utilization and workflows. End users benefit from an optimized and unified user experience regardless of the application or device they choose.

Egnyte was founded in 2007 and is a privately held company headquartered in Mountain View, CA.
